To the Editor:

The vandal who spray painted "Kill Bush" on the Hays County Veterans Memorial committed an inexcusable act. We are fortunate to live in a country where the overwhelming majority of Americans reject such behavior.

The United States Army, Navy, Air Force and Marines are institutions so identified with a commitment to duty, honor, and country that their importance to our freedom is obvious.

Especially today, as the war on terror continues in Iraq, we need to support our armed forces. Because of American military valor, Saddam Hussein is locked in a prison cell. The global terrorist network and their allies have been weakened.

Our troops continue to serve with selflessness, strength, and hope.

Sincerely,

Lamar Smith
Member of Congress
